I am asking you to keep KLOVE radio station on the air. The Christian music that they play has had a positive impact on our community. Many young people I know have changed from listening to rock music to listening to KLOVE. This has most definitely had a positive impact on our community. If this is lost, myself along with many others will be left with no Christian music station to listen to. We have all forms of music to listen to on the radio. It would be unfair to elminate Christian music.
